

pdf-live

'PDF LIVE' is a PDF viewer that extends the open source 'mozilla/pdf.js'.
You can start the PDF viewer with toolbar right away with 'PDF LIVE'.

Install

Install with [npm](#).

```
npm install pdf-live
```

Quick Start

ES6 syntax

```
import pdfLive from 'pdf-live';

// Loading a document.
await pdfLive.loadDocument('helloworld.pdf');
```

ES5 syntax

```
<script src="node_modules/pdf-live/dist/build.js"></script>
<script>
  // Loading a document.
  await pdfLive.loadDocument('helloworld.pdf');
</script>
```
